

OPT OUT FORM

I have read your letter "Finally, the truth about audit support and IRS Letters revealed" but decided that I do not wish to purchase that valuable coverage at this time.

- I understand that **Green CPA PLLC** guarantees the maximum refund or lowest tax allowed by law.
- I understand that **Green CPA PLLC** will respond and/or act upon any IRS correspondence that is due to the fault of **Green CPA PLLC** for free.
- Any issues in IRS correspondence or actions that are not the fault of **Green CPA PLLC** may result in additional charges incurred at normal applicable billing rates.
- I understand that any IRS letters handled by **Green CPA PLLC** on my behalf will require an upfront payment of \$250 or more depending on the issue.

In the event of an IRS audit, I understand that a retainer of \$2,500 will be required so that **Green CPA PLLC** can represent me before the IRS. I also understand that the charges for complete representation could be much higher than this initial retainer to complete the audit representation.
